Diamond Division Local Rules & Playing Philosophy

The primary goal of the Diamond Division is to introduce ball players to middle/high school age rules, adding base stealing, lead-offs, and dropped third strike. The Diamond Division is for 13-15 year olds as determined by established age scales. The game is played on a field up to 80 foot diamond, 57 foot pitching mound, and all games are called by official umpires.

The following local rules apply to the HYAA Schley Division. Any rule, topic or situation not covered in this document will automatically default to the Babe Ruth rulebook. The league commissioner will have final ruling on any disputes.

Uniform / Protective Gear

1. Playing uniform is defined as the HYAA team jersey, pant and hat. Jerseys must be tucked in, and hats facing forward. Uniform customization is prohibited with the exception of a players first name, last name or number embroidered (1/2" tall maximum) on their hat only.
2. Players must be in full uniform when playing in all intra and inter league games. (Regular or Post-Season). Uniforms are not required for practice.
3. No player will be allowed to wear jewelry during practices or games.
4. It is strongly recommended that all male players wear a protective cup for both practices and games.
5. All male catchers are required to wear a protective cup.
6. The catcher is required to wear all protective gear, including leg guards, chest protector, and approved one-piece catcher helmet/mask with throat protection.
7. The catcher is not required to use a catcher's glove.
8. It is strongly recommended that all adult volunteers playing the catcher's position wear a protective cup and catcher's helmet.
9. All offensive players are required to wear batting helmets when anywhere in the field of play or in the batting cage – runners should not remove their helmet until in the dugout.

Equipment

1. The batting cages are for HYAA use only. Only one player and one coach will be allowed in the batting cage. Batting cages will be vacant during games.
2. Bats may not exceed 34" in length and the barrel may not exceed 2 5/8" in diameter. All aluminum/alloy barrel bats and all composite handle (only) aluminum/alloy barrels are allowed. Only composite barrel bats certified and marked BBCOR .50 will be allowed. Wood barrel bats are allowed.

5. Each team will provide its own scorekeeper. The home team is the official scorekeeper. Scorekeepers should confer between innings to make sure they have the same score. If they are different, scorekeepers must notify the managers and home plate umpire before play resumes. The on-site field rep will stop game play until the discrepancy is resolved.
6. Concessions (when available): The home team will be responsible for running the concession stand. Coaches will assign a parent volunteer to run the concession stand prior to the start of the game. No kids under 14 are allowed in the concession stand without adult supervision or commissioner approval.
7. Batting Cages (when available): Thirty-five minutes prior to the game start time, the Home team will have use of the batting cage for 15 minutes. Twenty minutes prior to the game start time, the Visiting team will have use of the batting cage for 15 minutes. Both teams will be ready to start the game 5 minutes prior to the start time. Batting warm-ups will not be delayed for late arriving players.
8. Thirty-five minutes prior to the game start time, the Visitor team will have use of the field to warm-up for 15 minutes. Twenty minutes prior to the game start time, the Home team will have use of the field to warm-up for 15 minutes. All on-field warm-ups will end 5 minutes prior to the stated game start time. For second games on weeknights, there may not be any infield practice depending on the status of the first game.
9. A team may begin a game with a minimum of seven players in uniform. Late arriving players will be added to the bottom of the batting order. There is no “OUT” penalty for playing with fewer than 9 players. If seven players are not available at game time then that team must forfeit. The teams may remain and the game shall be played as a “practice” game. Players remaining may be divided among teams, that were scheduled to play. Only rostered players shall be allowed to participate in the practice game.
10. Practices are scheduled by the commissioner only. There will be no extra team practices allowed. Rained out practices can be rescheduled based on field availability and commissioner approval.

General Game Play

1. Before the first pitch is released, coaches will agree on the game start time and the home team scorekeeper will record it. The game can be delayed or suspended due to weather conditions. On the rescheduled game date, the game will resume where it left off, including outs already recorded, runners on base, and at the batter who was up when the game was called. No game will officially end due to weather.
2. Game duration will be a minimum of 4 innings and a maximum of 7 innings. Regular season games (weekend or weeknight) cannot commence a new inning after 120 minutes as long as 4 innings have been completed. A new inning is considered “started” at the same instant that the 3rd out of the previous inning is recorded. The home team shall be entitled to complete any inning started unless leading into the bottom half of the final inning. Otherwise the game will be called due to time limitations.
4. Each team will be allowed two time outs per inning with a time limit of one minute. The pitcher must be removed from the game on a manager’s second trip to the mound in one inning.
5. A 7 run rule will be in affect each inning. If a team is ahead by 10 runs or more after 5 innings, the game is declared over. Exception: a team may score an unlimited number of runs in the 7th inning.
6. Starting players must play a complete inning in the field before they can be substituted unless there is an injury.
7. Any player may reenter the game as long as the player being replaced has played a complete inning.

Offensive Game Play

1. Offensive coaching will be limited to base coaches at first and third base.
2. A continuous batting order will be used. All players on the team roster will bat regardless of their play defensively.

3. The batter must have both feet in the batter's box when the ball is hit. If one foot is out of the box when the ball is hit, the batter will be called out.
4. Baserunning rules:
 - a. The Diamond Division shall allow "open bases", during live play.
 - b. Sliding: a legal slide can be either feet first or head first. While encouraged, runners are not required to slide.
 - c. Contact Rule: If a runner, attempting to reach home plate, intentionally and maliciously runs into a defensive player in the area of home plate, he will be called out on the play and may be ejected from the game.
 - d. Blocking Home Plate: A catcher (or defensive player) may not stand on or in the path of home plate with the attempt of blocking the runner from scoring.
5. The catcher may have a pinch runner if on base with 2 outs. The pinch runner will be the player who made the last out. If less than 2 outs, the catcher must run for him/herself.
6. Drop third strike rule, player may steal 1st if the base is unoccupied or if 1st base is occupied with 2 outs. A batter who does not realize his situation on a third strike not caught and is not in the process of running to 1st base within the baseline will be called out.

Defensive Game Play

1. Each player must play a minimum of 1 inning of defense in the infield. No player can sit out a 2nd inning of defense until all players have sat out 1 inning of defense. Penalty for not following this rule is forfeiture of the game. If the player's non-participation is a result of the manager's deliberate action, the manager will be suspended for one game. A second violation by the same manager will result in permanent suspension from managing or coaching in HYAA. If a coach feels a player's safety is at risk with the mandatory inning of infield play, a meeting between the coach, player parent, and commissioner is required to create an exception for that player.
2. No chatter directed towards the batter will be allowed at any time.
3. Any ball hit out of bounds (ex: under the fence) is live until the defensive player holds their hands up to the umpire signaling to the ball out of play.
4. The infield fly rule is recognized and enforced.
5. The distance from the front of the pitching rubber to the back of home plate will be at 54 feet.
6. Pitchers will be permitted to pitch two innings per game. However, once a pitcher is taken out, he cannot return to the mound during that game. An inning will be counted if a single live pitch is thrown.
7. Pitchers, once removed from the mound after delivering a pitch, may not return to the mound in the same game.
8. Any Pitcher hitting three batters in one game must be removed from the mound.
9. Balks shall be called and enforced by the umpire.
